After the interesting Geography lesson, the pupils pack away their geography books and exercises books. Then as usual Adrian, one of the strong boys of the second form, gets the English Students' books and hands them out.

But when he comes to Evelin W, he cannot find her book.

Where could it be?
This is a mystery

But Massimo knows what to do.

He immediately stands up and looks for the book in the cupboard at the back of the classroom.

Then Sonja stands up and looks for the book behind the board. Maybe someone wanted to play a trick on Evelin W?

Is the book behind the board???

No way! The book is gone.

Now the students start to be worried.

The teacher will be very angry.

The book must be found before she arrives.

But where could it be for God's sake?

Now Evelyn G., the clever girl from the 1st form has a

brilliant idea  :

I have an idea!
Let's go and look for the book. It must be somewhere in the school building.

Everybody is excited. What a good idea. The book must be found before the teacher comes.

The classmates decide where to go.

Giovanni and Adrian go downstairs in the basement.
There is the CRAFTS ROOM.

Oh, no! Here on the shelves, there is no book.
There are some tools.

The book isn't here either. Where is the book?

Moritz, Massimo and Alexandra look for the book in the LIBRARY, downstairs in the basement.

That is a never-ending job. So many BOOKS!!!!

It isn't here.

The English book isn't here either.

But where is the book then?

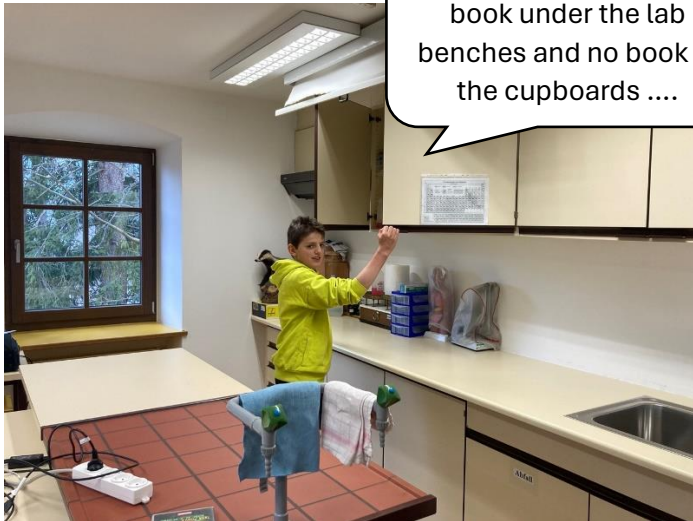

Giovanni and Adrian look in the COMPUTER ROOM and in the SCIENCE LAB.

Oh, my goodness! No book behind the board

No book in the sink, no book under the lab benches and no book in the cupboards

Moritz, Sonja, and Giovanni look in the HALL.

It's not here behind the pot plants.

I can't find it.
I give up!

The book is not between the shoes and the jackets.

Florian K. and Evelyn G. go outside. Maybe Evelin W. lost the book outside in the SCHOOLYARD?

Is the book in the bin?
..... no, it isn't!!!!

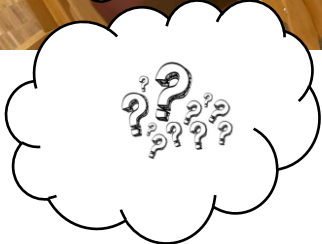

No book under the bench

Some of the students go upstairs to the TV ROOM.
But even here Jasmin, Evelin W., Florian M. and Alexandra can't find the book.

It's not in the cupboard.
There are only DVDs.

I give up!
Where on earth is it?

Alexandra and Florian M. have a look in the small
FREE WORK SPACE upstairs

It;s not there either.

What about you,
Florian? Is it there?

No, there is just some
rubbish!

.... and Jasmin and Evelin W. look in the other small
FREE WORK SPACE.

Is the book under the
desk?

.... or maybe it is in the
cupboard?

Finally, the students give up. The book is definitively missing, and they must tell the teacher. The most courageous pupils are chosen.

Jasmin and Florian K. must go into the TEACHER´S ROOM and explain what has happened. They enter the room and GUESS WHAT?

The English teacher took Evelin´ s book because she forgot her book at home, and she had to make some copies from the book.
